# All IVSEC X Range Network Video Recorders (NVRS) feature

ONVIF

## **ONVIF Profile S/G/T**

for ease of IP cameras compatibility on 3rd party recording systems

#### **Powerful H.264, H.265 Compression** to save on hard drive storage

## Easy to use Search Methods

search by date/time range, and filter by analytics: PIR detection, IVS, Perimeter Intrusion Detection, Line Crossing Detection, Stationary Object Detection, Pedestrian Detection, Face Detection, Line Cross Counting, Human and vehicle tracking \*Analytics/IVS is camera dependant

## **Remote Control**

remotely control NVRs and cameras using the free Video Management System (VMS) for PCs, Internet browsers, and powerful mobile applications
