

# NR008XB-2TB NVR

This 8 channel PoE NVR is a compact yet powerful solution for your everyday surveillance needs. With support for up to 8 IP cameras, it offers seamless recording and monitoring. The NVR's storage capacity allows for a single HDD up to 16TB. This generous storage space ensures extended retention of crucial footage. The NVR's PoE feature simplifies camera setup by delivering both power and data over a single Ethernet cable, reducing installation complexity. This makes it an ideal choice for small to medium-scale security setups seeking high-capacity storage and efficient camera management. This unit comes with a pre-installed 2TB HDD, so it is ready to go out of the box.

## All IVSEC X Range Network Video Recorders (NVRS) feature

### Plug and Play

with IVSEC X range cameras

#### **ONVIF Profile S/G/T**

for ease of IP cameras compatibility on 3rd party recording systems

**Powerful H.264, H.265 Compression** to save on hard drive storage

#### Easy to use Search Methods

search by date/time range, and filter by analytics:
PIR detection, IVS, Perimeter Intrusion Detection,
Line Crossing Detection, Stationary Object Detection,
Pedestrian Detection, Face Detection, Line Cross Counting,
Human and vehicle tracking \*Analytics/IVS is camera dependant

#### **Remote Control**

remotely control NVRs and cameras using the free Video Management System (VMS) for PCs, Internet browsers, and powerful mobile applications
